NOTICE OF FINAL SETTLEMENT

All creditors and others interested in the estate of John P. Sullivan, deceased, are notified that undersigned administrator of said estate intends to make a final settlement of said estate at the next term of the Probate Court of Barry county, to be holden at Cassville in said County, on the 10th day of February, 1918.

ALEXANDER J. MURPHY,

Administrator.

This 16th day of December, 1917.

JOHN T. BURGESS, Atty.

First insertion Dec. 14, 1917.

Raymond and James McComas and Miss Mabel McComas, of Shellbrook, Saskatchewan, Canada, arrived, Sunday morning, for a visit with the family of G. W. McIntosh. They formerly lived in Barry county.

CAMP FUNSTON

Cold weather prevails in camp now.

Johnnie Willis has the blues tonight—the mail did not arrive on its usual time. We have applied "first aid" to him with no avail.

George Edwards reported on the sick list today. When the doctor asked where he was sick at, George hesitated to say but after the doctor had pointed to every bone in his body he finally said, "Doc, I'm sick of my job." hWat would you advise us to do with him?

Several of we boys were figuring on coming home for a few days, but all of our plans were frustrated when special order "No. 50" came over and said, "Don't issue any more passes until we arrive in Florida."

Murrel Harman hasn't had much to say since he came back to Funston from his trip to Monett.

Sadie Johnston is on the blink today. All he will say when we ask him where he is sick at is to point to his head and say good God, help me. There might be several things wrong with his head, but we judge the way he slobbers it's toothache.

We are planning a big time for Christmas for dinner we will have turkey, for supper we will have ham and eggs—if we can buy the ham and steal the eggs.

Jessie B. Kring is smiling tonight. Why? He got seven letters today. All were mailed at Monett.

Dennie Moore is a good brakeman. He fell down stairs and broke his feelings. He alleges it was all an accident.

The boys are deserting by squads. Sunday night three privates went over the hill. There was none of them from Barry county. The first quota of Barry county's deserters has been at or near Scholten for 15 days.

Guy Carr and Emory Medlin said they were going home Christmas, but they are not. Why? Because they can't get a furlough.

Ora Huffman was supposed to visit in Monett a short time ago but he has been singing every day since he came back, "My Happy Little Home in Arkansas."

Monroe Hunt is in the base hospital with pneumonia.

Lee Jarvis is in bad condition with rheumatism.

Charley Rogers said he was going to buy some shoes if Uncle Sam couldn't make any to fit him.

Most all the boys are still wearing khaki trousers but few have a blouse. Uncle Sam must have more men than clothes. Nevertheless, we all have good overcoats.

We still have Sunday school in Battery B every Sunday with Corporal Guy Carr superintendent.

Insomuch as it has pleased God to call from our midst Fred Cooper, a loved comrade and close friend, a Barry county boy, we extend to the bereaved family a word of sympathy and may you be submissive to the supreme rulings of God. He has finished his work. He has done what he could, and in a righteous cause he died.

Respectfully,
BARRY COUNTY BOYS.

STOMACH TROUBLE

AND CONSTIPATION

Those who are afflicted with stomach trouble and constipation should read the following: "I have never found anything so good for stomach trouble and constipation as Chamberlain's Tablets. I have used them off and on now for the past two years. They not only regulate the action of the bowels but stimulate the liver and keep one's body in a healthy condition," writes Mrs. Benjamin Hooper, Auburn, N. Y.—Adv.
